

CITY OF NEW ORLEANS

OFFICE OF THE MAYOR

SIDNEY J. BARTHELEMY

MAYOR

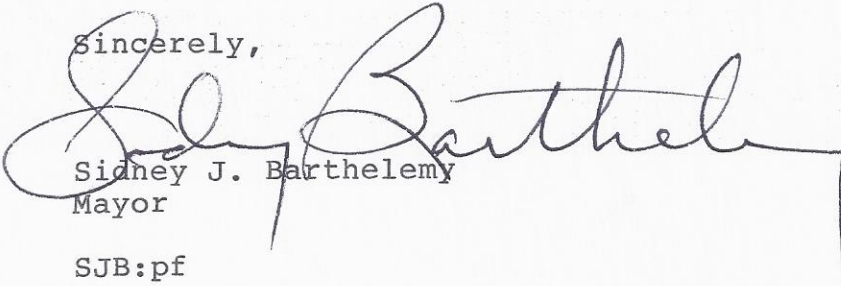

TO WHOM IT MAY CONCERN:

I am writing this letter at the request of, and as a recommendation for Mickey Redwine, President of Dynamic Cable Construction Company, Inc.

Dynamic Cable is currently building the cable TV system in the Vieux Carre section of New Orleans for Cox Cable. This is a unique area with many businesses as well as residents, and as such demands unique methods of construction. In spite of the unusual working conditions, the project is currently ten (10) months ahead of schedule.

I would highly recommend Dynamic Cable Construction Company for underground construction projects, and feel their French Quarter project will be a milestone in this area.

Sincerely,

Sidney J. Barthelemy
Mayor
